SIGNATURE TREATMENTS

La Prairie Whitening Caviar Illuminating

45 min. CHF 140.– / 90 min. CHF 270.–

Elegance and efficiency combined: This facial ensures an even skin tone, helps to prevent pigmentation problems and lightens the skin. The additional active ingredients from golden-caviar extracts leave the skin feeling firmer and more hydrated, resulting in glowing, smoother skin and an improved skin tone. In addition to a luxurious facial, your hands will also be treated to a smoothing exfoliation and a relaxing massage.

La Mer Brilliance Brightening Facial

45 min. CHF 140.– / 90 min. CHF 270.–

Experience a luxurious transformation. With this individual facial, patented procedures and the healing energy of the Miracle Broth™ and Vital Brilliance Ferment™ from La Mer are combined for a pampering treatment that is tailored exclusively to your skin type. The facial treats dark spots, hyperpigmentation and an uneven skin tone, giving your skin the care and attention it needs. Vital Brilliance Ferment™ is a specially developed fermented skincare product aimed at preventing future visible damage and maintaining your skin's healthy, flawless sheen. Marine peptides help smooth out small wrinkles and lines. This treatment incorporates a facial tailored to your needs as well as an arm and hand massage, and will help to make your skin more radiant and refined, with a smooth, firm and youthful appearance.

SWISS MEDICAL TREATMENTS

Cell Premium Treatment

with geneO+ Brightening 45 min. / CHF 155

Elegance and efficiency combined: This facial ensures an even skin tone, helps to prevent pigmentation problems and lightens the skin. The additional active ingredients from golden-caviar extracts leave the skin feeling firmer and more hydrated, resulting in glowing, smoother skin and an improved skin tone. In addition to a luxurious facial, your hands will also be treated to a smoothing exfoliation and a relaxing massage.

Needling Treatment

60 min. / CHF 195

Needling involves making microperforations that help active ingredients to be absorbed much more effectively. Pure argan stem cells or specific hyaluronic-acid concentrates can then be applied according to the individual needs of your skin. A soothing, moisturising fleece mask will ensure that the treatment is a relaxing experience for you.
